Machine Pitch Rules

Games are 6 innings

No new inning may begin after 1 hour and 15 minutes

Players must play a minimum of two different positions in the field on defense (infield and outfield)

An inning consists of once through the lineup or 3 outs, whichever comes first.

Players are encouraged to wear cup protectors; all catchers must wear a cup.

There shall be no head first slides. Players should avoid contact at all times.

A batted ball that hits the machine or lands in the circle around the machine is declared a dead ball and the player is awarded a single.

There will be no leading off or stealing.

Batting order consists of all players present at the game. Late arriving players will be added to the bottom of the lineup.

No bunting is allowed.

Players can strikeout. Players are allowed 7 pitches to put the ball into play. We will make every effort to get the kids to make contact with the ball.

Great Tasting Lunchmeat
